

The most efficient and timely way to resolve such issues remains at the level of issuance. The employee should speak with the school administration, who will make every effort to obtain a solution. Still, if the concern has not been resolved at the administrative level, the employee should contact in writing the pastor or canonical administrator for the school. The Executive Director of Programs serves as the canonical administrator for Holy Family School.

If the avenues described above have not yielded a resolution, employee should contact the Human Resources Office at Sacred Heart Southern Missions.
