395 N. West St.
Holly Springs, MS 38635

Holy Family School is participating in the USDA's National School Program "Seamless Summer Option (SSO)" for the duration of the 2021-2022 school year. This program, while typically only available during the summer months, will continue to extend free meals to all students. According to USDA, this option maintains the nutrition standards of the standard school meal programs – including a strong emphasis on providing fruits and vegetables, milk, whole grains and sensible calorie levels. This option also provides flexibility for schools to further customize their meal service design to fit their local needs.

Acceptance and participation requirements for the program and all activities are the same for all regardless of race, color, national origin, sex, age or disability, and there will be no discrimination in the course of the meal service. Meals will be provided at Holy Family School for breakfast and lunch served in the cafeteria.
