### **FOR ALL RETURNING STUDENTS (Virtual and Campus Learners)**

This year we are using a new system called FACTS Student Information System. All of our registration information is on the website. (This replaced the packet we used to send for families to complete and return to school) All returning families must review all of your information, update phone numbers, emergency contact information, pick up lists, allergies, etc. This is done through the Parent Portal at [hfamilyschool.org](http://hfamilyschool.org). Please complete this process as soon as possible. If you have questions, contact the office.
